Initially, Applicants wish to thank the Examiner for the time and courtesies extended toward Applicants' undersigned representative during the telephonic interview conducted on March 23, 2010.

During the interview, Applicant's representative explained the deficiencies of the prior art after discussing the features of the present invention. Prior to the interview, the Examiner had considered the Amendment Submitted with RCE submitted on March 2, 2010 and was of the opinion that the claims as amended overcame the previously cited references. However, the Examiner conducted a further search that yielded an additional reference, namely U.S. Published Application No. 2003/0227647. Applicant submits that the foregoing remarks constitute the entire substance of the interview. No agreement was reached regarding the status of the claims.

As the interview has now been conducted, Applicants respectfully request termination of the suspension of action in the subject application.

Applicant's undersigned attorney may be reached in our Costa Mesa, CA office at (714) 540-8700. All correspondence should continue to be directed to our below-listed address.

Respectfully submitted,

/Frank Cire #42,419/
